PROFESSIONAL SUMMARY

Graduated Engineer from the Higher Technological Institute with a degree in Communication and Electronics Engineering. I have a strong foundation in digital communication, mobile communication systems, along with essential knowledge networking. I'm looking forward to landing a job in mobile network automation field.

WORK EXPERIENCE

Mobile Network Automation Trainee, National Telecommunication Institute (NTI), Cairo, Egypt	Oct.2025 - present
---	--------------------

EDUCATION

B.S. Engineering, Communication and Electronics Department Higher Technological Institute (HTI), 10 th of Ramadan City, Egypt	Oct.2020 – July.2025
--	----------------------

Relevant Coursework: Digital Communication, Antenna

Graduation Project: Enhancing BER and PAPR Using FBMC and UFMC

SKILLS

Technical Skills

- Software/Tools: CST, MATLAB
- Programming Language: Python
- Networking Tools: Wireshark, GNS3, VMware, Packet Tracer

Soft Skills

- Communication and Presentation
 - Team Collaboration and Leadership
 - Problem-Solving and Critical Thinking
 - Time Management and Organization
-

LANGUAGES

- **Arabic:** Native
 - **English:** Intermediate (B1)
 - **German:** Beginner (A1)
-

CERTIFICATIONS

- | | |
|--|-----------------------|
| • Attending The Course of Study in CCNA | June.2023 – Sept.2023 |
| • Attending The Course of Study in CCNP Security | June.2024 – Oct.2024 |

VOLUNTEER EXPERIENCE

Member, Computer Science Committee

- | | |
|---|--------------------|
| IEEE HTI-student branch, 10 th of Ramadan City, Egypt | Oct.2022 – Present |
| • Organized RoboSoccer Competition held at HTI | Aug.2025 |
| • Planned Error Competition (Second Edition) the only Robot-sumo competition in Egypt held at HTI | Oct.2025 |

PROJECTS & TRAINING

- | | |
|---|---------------------|
| Enhancing BER and PAPR Using FBMC and UFMC | Oct.2024 – Feb.2025 |
| • Simulated BER and PAPR performance in MATLAB and evaluated their efficiency compared to OFDM in 5G use cases. | |
| • MATLAB | |
